- I. **Recommendation:** Adopt Ordinance
- II. **Applicant:** Norfolk Electoral Board
- III. **Description**  
This agenda item is an Ordinance to change the voting place for Young Park Precinct.
- IV. **Analysis**

**Young Park Precinct:**

P.B. Young Elementary School has converted the Auditorium/Gymnasium of the building into four (4) temporary classrooms to accommodate their additional student body. This area of the school was previously used as a polling place on Election Day. Young Terrace Community Center is located directly across from P.B. Young Elementary School. The building has adequate space and amenities, is ADA accessible, and is within walking distance of the current voting location. This proposal has been reviewed with the Supervisor of Young Terrace Community Center, Recreation Parks and Open Spaces, and the City of Norfolk's ADA Coordinator. The Norfolk Office of Elections, on behalf of the Norfolk Electoral Board, recommends relocating the voting place for Young Park Precinct to Young Terrace Community Center. There will be no change to the Precinct Name.

We received favorable support from the community at these meetings regarding this proposal.

Voter cards with maps will be mailed to all registered voters within the current Young Park Precinct advising of the change in voting place. The Norfolk Office of Elections' website will be updated to reflect the change in voting place for this Precinct. Information will be published in The Norfolk Compass advising voters of the change in voting place for this Precinct.
